

People Who Give Back to their Community Should Be Recognized!

Everyday PLSO members strive to enhance our profession and association image. We know you're busy and appreciate your investment of five minutes to recognize someone who has inspired you through their service to our great organization.

On the back of this form are award categories. Thank you for your help in honoring the people who elevate our association.

Name of Nominee: Rebranding Committee
(please print or type)

Reason to recognize this individual:

Bright Idea Award

The rebranding effort was a monumental task to take on, with mixed reviews by the PLSO membership. The committee, especially Pat and Aimee, worked hard to come up with a new look for PLSO including marketing and educational materials, a new logo, and eventually a new website. The desire for change and to make a more updated brand for us to appeal to a younger and more diverse audience will be one more way for us to be distinctive.
