INFORMATIONAL LINKS FOR
PROSPECTIVE STUDENTS**

ACSM EDUCATION AND CERTIFICATION INFORMATION

Information about education and scholarship programs, certification programs, Trig-Star and a "For Students Only" section.

<http://www.acsm.net/>

ACSM CERTIFIED SURVEYING TECHNICIAN (CST) PROGRAM

Four-level national certification program for survey technicians, officially recognizing at least a minimal degree of technical competence performing surveying tasks.

<http://www.acsm.net/cst/>

OREGON SCHOOLS OF HIGHER EDUCATION OFFERING SURVEYING/ GEOMATICS COURSES

Blue Mountain Community College

(AAS, Civil Engineering Technology)
(drafting, plane surveying, mapping courses)

<http://www.bluecc.edu/>
dkrumbein@bluecc.edu

Chemeketa Community College

(AAS, Civil technology program)
(CAD, plane surveying, surveying/mapping)

<http://www.chemeketa.edu/>
tschiele@chemeketa.edu

Lane Community College

(drafting class, GIS, mapping and platting class)

<http://www.lanec.edu/>
robertsonm@lanec.edu

Linn-Benton Community College (AAS, Drafting & Engineering Graphics)

<http://www.linnbenton.edu/>
sweetj@linnbenton.edu

Mount Hood Community College (Civil Engineering Technology degree)

<http://www.mhcc.cc.or.us/>
thomas.mccormack@mhcc.edu

Portland State University (lower division surveying courses)

<http://www.cee.pdx.edu/>
ceedept@cecs.pdx.edu

Oregon Institute of Technology **Geomatics Department** (BS Surveying option - ABET/ASAC accredited)

<http://www.oit.edu/programs/geomatics>
jack.walker@oit.edu

Geomatics Department (BS GIS option – GIS certificate)

<http://www.oit.edu/programs/geomatics>
john.ritter@oit.edu or mason.marker@oit.edu

Oregon State University

(Geosciences - GIS certificate)

<http://geo.oregonstate.edu/>
dawn@dusk.geo.orst.edu

(Forest engineering – ABET/EAC accreditation)

<http://www.cof.orst.edu/cof/fe>
jim.kiser@oregonstate.edu

(Civil and construction engineering – ABET/EAC)

<http://cce.oregonstate.edu>
robert.schultz@oregonstate.edu

Umpqua Community College (AAS, Civil Engineering Technology)
